Dear Ms. Crose:

On 9 September 2019 the office of the Information and Privacy Coordinator received your 9 September 2019 correspondence requesting records under the Freedom of Information Act. This is a quick acknowledgement to advise you that we received your request for records on the CIA's pneumatic tube system used for inter/intra agency communication, to include any documentation on function, dates of use, how it was used and any media which may depict the system when it was in use. Your request was assigned the reference number above. Please use this number when corresponding so that we can identify it easily.

Our officers will review and process your request in more detail and will only communicate to you if they should encounter any problems or if they cannot begin the search without additional information or clarification. We will search for CIA-originated records up to and including the date the Agency starts its search.

Sincerely,

Mark Lilly

Information and Privacy Coordinator
